RSI Stewardship – Resource Solutions, Inc. “Debt is a topic the Church cannot afford to ignore...”

“Why is addressing debt important to Ebenezer? The church member in the pew wants to know that his or her leaders are thinking about the future of the church—not just the present. Debt is not about removing a negative stigma. Instead it is an opportunity to approach ministry with a long-term perspective.” Ebenezer has a mortgage debt for the new sanctuary which was completed in August 2009. Here are three reasons why addressing the **reduction** or **pay-off of this debt** through a Debt-Campaign is important:

- It will provide new freedom for greater ministry opportunities within our church, the community, etc.
- It’s a short-term gain with long impact.
- Reducing and/or eliminating debt is good stewardship.

Please pick up hand-outs on RSI Stewardship in the church foyer or church office for more information on this company. Additional information regarding this company will be shared very soon by our pastor, Rev. Winfred Hope.
