

Worship Program

OUR MISSION:

The Mission of Ebenezer Baptist Church West is to preach and teach the Gospel of Jesus Christ in such a way that transforms non-believers into believers, believers into disciples, disciples into fruitful mature leaders, who will in turn go back into the world to reach others for Jesus Christ.

For information about *The West*, visit our website:

WORSHIP THROUGH GIVING – Rev. Frankie Jordan

Tithes & Offerings & E-Giving, Mortgage Pay-off

Stewardship Tip:

Today is Super Bowl Sunday in Atlanta. To attend the football game, fans paid thousands of dollars just to be present. At the same time businesses, corporations, and special interest groups lined up to pay \$5.25 million for 30 seconds of commercial time. That adds up to more than \$175,000 per second. This Stewardship Tip points out what fans are willing to do to support their team and what businesses are willing to pay to make their product known. The CHURCH has a message about Jesus, a product of salvation, and a benefit of eternal life. Therefore, on this Super Bowl Sunday let us give a Super Tithe And Offering to remind ourselves and the world that WE SERVE A SUPER GOD.

Benjamin Banneker was a free-born descendant of slaves who became a famous 18th-century astronomer, mathematician and surveyor. He is considered by many to be the first African-American scientist. Banneker was raised on a tobacco farm in rural Maryland, where he attended school but was largely self-taught in the sciences. Although Banneker worked most of his life as a farmer, his analytical and problem-solving skills became legendary.

**His achievements were indeed impressive:**

- ✓ At age 24 he studied clockworks and constructed his own clock from wood
- ✓ He taught himself astronomy and published a popular almanac, *Benjamin Banneker's Almanac*, from 1792 to 1797
- ✓ Was appointed to assist in surveying the Federal Territory, the plot of land that was to become Washington, D.C.
- ✓ Worked on calculating the precise measurement of the meter
- ✓ And corresponded with Thomas Jefferson on the issue of slavery and the intellectual equality of blacks.

Banneker never married and much of his personal life is now a mystery, as his papers and belongings were destroyed in a fire that occurred on the day of his funeral.
