

EXTRAVAGANT GENEROSITY

“DESPISE NOT SMALL BEGINNINGS”

The Apostle Paul encouraged the church at Corinth by demonstrating the extravagant generosity of the Macedonians. In spite of the dire circumstances faced by the Macedonians, they made heroic sacrifices above and beyond what any of them thought they could. Ultimately, they boldly went forward, they trusted God and the Bible says “they exceeded expectations” in their generosity. That’s the Ebenezer West way...that’s God’s way!

As we embark on this NEXT journey, rooted in Zechariah 4:10, we’re fueled by a shared conviction to fully live out our mission: *to go back into the world to reach others for Jesus Christ.* This 2-year campaign calls us to be better stewards, investing in our church’s future through expanded facilities and ministry.

Authority to build senior housing, the responsibility for financing The West Wing belongs to us alone. New worship facilities for our youth, space for our seniors, a multi-use Fellowship Hall, and office space for Ebenezer West Community Services mark this future addition to our church and ministry.

Our \$4M goal will amplify our kingdom impact, serving men, women, youth, and our community with expanded facilities and ministries. Let’s tear down barriers, welcome all, and fulfill Christ’s mandate locally, nationally, and globally. Your maximum participation is integral to exceeding expectations and fulfilling the charge before us to leave a legacy that inspires future generations to go even higher...NEXT!

WHO'S GOT...

The practice of extravagant generosity is a means by which God builds people up, strengthens their spirits, and equips them to serve God's purposes. Generosity is not measured by money or finance; generosity is measured in terms of spiritual growth and trust in God. We will never achieve our goals in this campaign financially until something happens spiritually. Our stewardship of the resources God has entrusted to us will deepen our prayer life, build community, unite people with purpose, and clarify mission.

Two years ago we retired our mortgage in 17 months through the sacrifices of faithful members. This campaign signifies that there is yet more ministry to do and when one task is completed we don't fold up the tent and we don't wait around...we step up to and into our...NEXT!!!
